Jan 05

Congratulations to Longwood House Dental Care of Ilford, which have been named winners The Dentistry Awards for being the “Best Dental Practice 2009” in the East of England.

Cllr Keith Prince with Dr Tasleem Ahmed

I'm told this is a prestigious award in the dental profession. They are a credit to the Borough and I was delighted to be able to attend a dinner to celebrate their major achievement.

Well done, Longwood House
